Title: WIPER / WASHER: WASHER NOZZLE (for Rear Side): ADJUSTMENT (2010 Prius)		

ADJUSTMENT

1. ADJUST REAR WASHER NOZZLE

- (a) Using a screwdriver, adjust the direction of the rear washer nozzle.

NOTICE:

Do not use a safety pin or other pointed tools. Doing so may damage the inside of the washer nozzle.

HINT:

Use a thin-bladed screwdriver with an approximately 1 mm (0.0394 in.) thick tip.
